BRING NATURE TO YOUR HOME

WOOD COLLECTIONS

Our Vinyl Floors are inspired by the wonders of nature that are constantly evolving and changing. Like nature that always gives new surprises and beauty every moment, AERI Vinyl Floor is present to reflect the elegance and the power of nature's adaptation.

애리 Ae Ri by Premiere

With colors that represent the beauty of nature as well as the ability to survive in different conditions, Aeri Vinyl Floor teach us to always appreciate the uniqueness and beauty of every change in life.

Low Maintenance

Only need to use a broom and mop, no chemicals needed to clean the floor.

Waterproof

AERI Vinyl Flooring has a coating that allows it to resist water.

Phthalate Free

We strongly consider environmental safety in producing AERI so that it does not cause environmental damage.

Pet Friendly

Muddy dog paw prints or household incidents can be very easy to clean up but the design remains pet-friendly.

Durable

AERI Vinyl Flooring has high durability and strength, while still giving a natural look.

Kid Friendly

AERI offers child-friendly flooring that is comfortable to play on and easy to clean.

Quiet Underfoot

AERI offers a floor that can reduce sound transparency, making it suitable for use in upstairs bedrooms, playrooms, halls, etc.
